PRELIMINARY AMENDMENT AND CLAIM TO U.S. PRIORITY

Sir:

In the matter of the above-identified application, which was filed as a  
continuation of US Application No. 09/131,019, please make the following  
amendments to the application:

In the specification:

Please enter the following sentence as the first paragraph immediately  
following the title:

--This is a continuation of Application No. 09/131,019 which was filed on  
August 7, 1998, and which claimed priority under 35 USC 119(e) to US Provisional  
Application No. 60/055,221, filed August 11, 1997.--

REMARKS

As a preliminary matter, please note the Information Disclosure Statement  
(IDS) filed herewith. The IDS contains two English translations of Japanese patent  
documents which were originally submitted (in Japanese) with the IDS filed together  
with this Continuation.

The application has been formally amended to update the status of this  
application as a continuation of Application No. 09/131,019 which was filed on August  
7, 1998, and which claimed priority under 35 USC 119(e) to US Provisional Application  
No. 60/055,221, filed August 11, 1997.

Attached hereto is a marked-up version of the changes made to the  
specification by the current amendment. The attached page is captioned "Version  
with markings to show changes made"
